

A Striking Contrast.

Col. Josh Ford, formerly editor of a Democratic newspaper at Owensboro, and once the Representative of Daviess county in the Legislature, but now the publisher of a paper at Paducah, Tenn., is making a hard fight against Buchanan and in favor of "Old Pete" Turney for Governor. Col. Ford is a hard hitter. He denounces Gov. Buchanan for accepting a commission of \$2,300 for collecting and disbursing Tennessee's portion of the direct tax refunded by the Federal Government, contrasting this with the action of Gov. Brown, of Kentucky. The Governor, Secretary of State and Treasurer of Tennessee are each charged with receiving a fee of \$2,300; Gov. Brown collected Kentucky's portion, \$600,000, at a cost of two cents for a postage stamp with which to transmit a copy of the resolution of the Legislature accepting the money. The contrast is a striking one.—Courier Journal.

Dick Lyons Kills Thomas Crabtree.

Dick Lyons, a farmer, living near Louisa, Lawrence county, shot and killed a neighbor, Thomas Crabtree, on the 19th. They had been enemies for a long time, and at the time of the shooting Crabtree and two friends were pursuing Lyons with the avowed intention of whipping him. When a short distance behind Lyons, Crabtree struck him in the back with a stone, and threw another, which Lyons dodged. He then attempted to throw another when Lyons drew a revolver and shot him. Lyons rode immediately to Louisa and surrendered himself to the officers. Two of his brothers were a few years ago lynched for murder, but Dick has always been a peaceable citizen.

Saratoga Association.

Mr. Charles Wheatly, Secretary of the Saratoga Racing Association, writes: "From the experience of many years' use of Quinn's Ointment, I unhesitatingly recommend it for the cure of Blood Spavins, Windpuffs, and other soft enlargements." Sold by Rose & Jones.

Indicted for Arson.

Robert Whitney was arrested at Cereto, W. Va., last week and taken to Catlettsburg on a warrant charging him with setting fire to the lately burned Big Sandy Flouring Mills. The grand jury in regular session found an indictment against him for arson, and he will be held in the county jail until his trial, which will in all probability be held during the present term of court. Whitney was engineer at the mill for a long time, but was discharged recently, and at the time he expressed an intention of burning the place.

Charles E. Buchanan, of Hazel Green, Ky., writes: "That bottle of Chamberlain's Cough Medicine I bought of Rose & Jones the other day has worked wonders. My sister could hardly move and could not sleep for coughing and spitting blood. The first dose gave relief, and she is doing well now."

Taken From Bed and Whipped.

John Bosler, a young man about eighteen years of age, residing near DeKoven, Union county, was taken from his boarding house, one night last week, by six masked men and whipped. He was then notified to leave the community within twenty-four hours, or he would be hanged. The charge against Bosler is that he has been too intimate with his half-sister, Cora Bosler. The girl is about twenty-two years of age, and has been living with different families in the neighborhood. Bosler is a laborer and came from Caldwell county.

A Guaranteed Remedy.

Megrimine, the only permanent cure for all forms of headache and neuralgia, relieves the pain in from 15 to 20 minutes. For sale on positive guarantee at THE HERALD office, or sent postpaid by mail on receipt of price, 50 cents a box.

Blood-Stained Trousers.

James Evans and his wife, who figured in the Carr-Evans tragedy, which occurred last summer near Quincy, Lewis county, were again arrested last week. A pair of trousers covered with blood stains, which belonged to old man Evans, were found under the barn near where Thomas Carr and Ross Evans were killed. At the former trial the old man proved a alibi, but the finding of his clothing will doubtless lead to new developments, and the murderer of Carr may yet be found.

For lame back there is nothing better than to saturate a flannel cloth with Chamberlain's Pain Balm and bind it on the affected parts. Try it and you will be surprised at the prompt relief it affords. The same treatment will cure rheumatism. For sale by Rose & Jones.

It was estimated last Friday that the majority of Foster for Governor in Louisiana will be 30,000 or more. In some parishes ballot boxes are reported stolen. In one ward of Baton Rouge it is asserted that the Fosterites, in counting the ballots, offered to divide the negro vote, giving McEnery half, but the proposition was refused.

Combs' Assault in Jail.

G. P. Combs, Superintendent of Education of Perry county, who was shot from ambush on April 12, is still living. His wound is dangerous, but he may recover. Finley Summers has been arrested for the assault, and had his examining trial before County Judge Robert Fields. He was held to answer at the next Circuit Court and his bond fixed at \$5,000. Failing to give this he was placed in the Perry jail.

A gentleman in Union county, Mo., who is too modest a man to have his name mentioned in the newspapers, was cured of rheumatism by Chamberlain's Pain Balm, after trying other medicines and treatment for thirteen years. For sale by Rose & Jones.

Moonshiners Captured.

Deputy Marshals Newt. Likens and Tom Golyfield took eleven men and one woman to Jackson, on the 20th, from Leslie and Perry counties, charged with violating the revenue laws. Some have been moonshining and others selling liquor without license. A pot still was used and the appliances were of a primitive kind. There are also a large number of witnesses.

For all diseases peculiar to the throat and lungs, Ayer's Cherry Pectoral, promptly administered, affords speedy relief and will cure.

The Killing Was Accidental.

James Downey, Deputy Marshal of Maysville, indicted for manslaughter for killing Eph Lewis, colored, last May, was last week acquitted by the jury in the Circuit Court. The proof showed that the killing was accidental.

Ayer's Sarsaparilla vitalizes and purifies the blood. If you feel languid you need it.

Shot by a Thief.

James L. Yantis, a wealthy farmer, living near Crab Orchard, was shot twice in the leg one night last week by a burglar, who was trying to steal meat from the smoke house.

During a quarrel over a game of cards at Scuffletown, Joe McAllister shot and killed John Roamey, and was shot in turn by a brother of his victim. Then Peter McAllister shot two negroes who were trying to assist Roamey.

PASTOR KOENIG'S NERVE TONIC
A Perfect Success. VII

The Rev. A. Antoine, of Refugio, Tex., writes: As far as I am able to judge, I think Pastor Koenig's Nerve Tonic is a perfect success, for anyone who suffered from a most painful nervousness as I did. I feel like myself again after taking the Tonic.

A Sunday School Superintendent Endorses It.

SECRETARY, Dorchester Co., Md., March 5, '91. A scholar in the M. E. Sunday school of which I am Superintendent I know was compelled to stay at home on account of her ailment (epileptic fits) for eight months, but since using Pastor Koenig's Nerve Tonic she attends regularly. I think the cure the most remarkable I have ever seen or heard of, and this Nerve Tonic deserves the highest commendation. It has my fullest endorsement.

SIRE BY BANKER 4144.

Own brother to Lysander, sire of Lysander Boy 2:20 3/4, Watt 2:24 3/4, William Kearney 2:20 1/4 and Lysander Chief 1:46. First dam Patti Patchen, trial 2:38 (grandam of Chesnut Wilks 2:29) by Mambrino Patchen, sire of the dam of Guy Wilks 2:15 1/4, Astral 2:18, Rosa Wilks 2:18 1/4, Elvira 2:18 1/4, Cleora 2:18 1/4, Hour 2:17 and twenty-nine others in the 2:30 list. Second dam Mandy by Stanhope's Blood Hawk, sire of the dam of Belmont 2:17 1/4 and Alek Wilks 2:20 3/4. Third dam Patti by Downing's Vermont, sire of the dam of Enigma 2:26; Mambrino Bruce 2:40 1/4, sire of Kit Curry 2:18 1/4; Bell Wilson 2:25; Gill's Vermont, sire of Bonner Boy 2:23, and sire of the dams of Abel 2:24 1/4, Col. Bradshaw 2:20 3/4, Nelly L. 2:23 1/4, Gambetta 2:26, The King 2:29 1/4, Outlaw 2:29 1/4, Pearl 2:30.

Fourth dam Jessie by Thomas Jefferson. He is a beautiful black, with right hind ankle white, stands 15 3/4 hand high, and is a perfect horse all over, having both bone and substance, combined with the form and finish characteristic of the cross he so well represents, viz: Hambletonian sire and Mambrino Patchen dam. This cross stands as the very best, because public performances have demonstrated its value. Of its many representatives not one is the superior of Bermuda Boy, for not one has demonstrated the same ability to train on from year to year, beginning with the yearling form. None are better bred or better looking.

As a sire his success is assured, as out of eight, his first crop, two entered the list last year as two year olds, namely Bermuda Boy 2:29 (half-mile track) and Rosemary 2:25 1/4. Bermuda Boy being one of the largest winning two-year olds of 1891, his first colts being foaled in 1889. Judged at this age no stallion ever sired more uniform, natural-gaited colts, with speed unprecedented. He will stand for mares, season of 1892, at \$200 TO INSURE, the money to be paid as follows: \$100 at the time of service, and the other \$100 when the mare proves in foal, being limited to thirty outside mares. Parties wishing to breed to him had better book their mares early.

First dam Sally Hamlet (winner of two-year old Hamlet stakes in 1875) by Hamlet (sire of Loretta F. 2:18 1/4, A. V. Pantlin 2:20 1/4, Truro, pacer, 2:22 1/4, Lady M. 2:23, Leontine 2:23 1/4, Brookside Flora 2:29, and the dams of Thornless 2:18 1/4, Cyclone 2:23 1/4, Granby 2:25 1/4, Graceful 2:25 1/4 and Hamletta 2:29 1/4.

Third dam, the dam of Sofie, that produced Blanche 2:25 1/4, by Imp. Yorkshire, sire of the dam of Ashland Chief, sire of Black Cloud 2:17 1/4.

Fourth dam by Woodpecker, thoroughbred, sire of Prince 2:27 1/4, ten miles in 28:08 1/4. The fee of Fayette Wilks is within the reach of all, and lower than that of any horse of equal merit in Kentucky. Season \$100, or \$200 TO INSURE.

WEST CLOUD 5195.

Out of the dam of Black Cloud 2:17 1/4, his sire out of the dam of Wilson 2:16 1/4. Bay horse, foaled March 31, 1884. Bred at Ashland Park.

SIRE BY ABDALLAH WEST 2583.

(Sire of Wilkin 2:27.) First dam, the dam of Black Cloud 2:17 1/4, by Pilot Walker, pacer.

Second dam the Duke Pacing Mare. NOTE.—Abdallah West 2583, by Allie West, first dam Sissy Coons, dam of Wilson 2:16 1/4, by Clark Chief; second dam Ohio, by American Chief; third dam brought from Ohio and represented to be by Brown's Belfounder. Abdallah West died at six years old. He was the most promising colt I ever bred.

West Cloud is a rich mahogany bay, 15 hands 2 inches, with black mane and tail, and black legs extending above knees and hocks. He is a powerfully built horse for his height, and has the most finished set of feet and legs it is possible to get on a horse of any breed. As a two-year old he gave evidence of being possessed of remarkable speed, as with little handling he trotted a half-mile in 1:18 1/4 and miles in his work in 2:49 1/4. At three years old he was not trained, owing to a very severe attack of pink eye. He also did no work on the track as a four-year old. As a five-year old he was jogged and trained lightly, more for the purpose of ascertaining if he was entirely recovered than with a view of testing his speed. In a few months he trotted a full mile in 2:34 and half in 1:15. The season (1890) he served a few mares of my own, and was not put to work until September, and his improvement was most remarkable. He repeatedly trotted halves in 1:10, and I am fully convinced he will, with a season's training, trot in 2:20. I will let him serve twenty mares, season of 1892, outside of ten of my own, at \$50 INSURANCE. Money due when mare proves to be in foal.

HAPPY WEST 5414.

Bay Stallion, foaled May 1, 1886, bred at Ashland Park.

SIRE BY HAPPY MEDIUM 400.

Sire of Nancy Hanks 2:09; Maxie Cobb 2:13 1/4; Eddie C. pacer, 2:20; Norman Medium 2:20; Camille 2:20 1/4; Buzz Medium 2:20 1/4; Brigadier 2:21 1/4; Harry Medium 2:21 1/4; Edith 2:22 1/4; First Love 2:22 1/4; Ernest Maltravers 2:22 1/4, &c.

First dam, Mamie West (dam of Cupania, three-year old record 2:35; Adeline 2:31 1/4; West Bank 2:37 (three years old, &c.) &c.) by Allie West 7:45, sire of Jewett 2:14 1/4; Charley Friel 2:16 1/4; Frank Champ 2:16 1/4; Charley West 2:27 1/4; Rachel B. 2:28 1/4; &c.; also sire dams of Mollie Wilks 2:22 1/4; Allie Wilks 2:22 1/4; Raven 2:26 1/4; West Wilks 2:28 1/4, &c.

Second dam, Madam Headley (dam of Miss Mabel, winner two-year old Kentucky Breeders' Stake, 1881, and Rapidan, dam of Lockhart 2:14 1/4), by Stanhope's Edwin Forrest 8:51 (sire of Harry Stanhope 2:31, son of Edwin Forrest 4:49, sire of Billy Hoskins 2:26 1/4; Champagne 2:30, and the dams of So-So 2:17 1/4 (dam of All-So 2:20 1/4), Mambrino Dudley 2:19 1/4; London 2:20 1/4, &c.

Third dam Mrs. Stanhope by Mambrino Chief 11, sire of Lady Thorn 2:18 1/4, Woodford Mambrino 2:21 1/4 and four others. His sons sired London 2:20 1/4, Panceast 2:21 1/4 (sire of Patron 2:14 1/4) and 79 others. His daughters produced Piedmont 2:17 1/4, Director 2:17 (sire of Direct 2:18 1/4, pacer 2:06, Margaret S. 2:12 1/4, &c.), and 21 others in the 30 list.

Fourth dam by Hunt's Commodore, sire of dams of Commodore Belmont (sire of Carrie Belle 2:23 1/4, Doncaster 2:28 1/4, Germania 2:28 1/4, &c.), and Mambruno (sire of Sadie Howe 2:26, Tom Britton 2:26, &c.).

Fifth dam by Copperbottom, grandam of dam of Rosalind 2:21 1/4 and Donald 2:27. NOTE.—Happy West is a rich mahogany bay, 16 hands 2 inches high, and a horse of elegant style, with as good action as any son Happy Medium ever sired, as at two years old he could trot in 2:40, and would have trotted in 2:30 at three years old had it not been for an accident on the ears, by which one of his hind legs was injured, causing him to have to be thrown out of training. In this horse I have the utmost confidence as a great sire, being by Happy Medium, one of the most noted of the sons of Hambletonian, and out of a daughter of the great Allie West; the second dam is the dam of Miss Mabel and Rapidan, who is her first colt, produced Lockhart with a record of 2:14 1/4. It is my intention to stand Happy West the season of 1892 at \$50 INSURANCE, thus affording an opportunity to farmers and breeders to secure the services of one of the greatest speed-producing representatives in the country at a nominal price, as he will be limited to 30 mares. Parties wishing to breed to him should apply early. No other son of the great Happy Medium out of as good a dam stands at such a low figure, but I am determined to let the public test his merits as a sire, believing in the near future he will be among the best in the country.

I breed sound, highly-finished trotters, and of producing dams, by a greater number of prominent sires than any farm in the land. I wish to farm or breed on the shares twenty approved mares. For further information see the Catalogue, which can be had on application. Mares kept at regular rates.
